## **FOR IMMEDIATE RELEASE**

### ***NxTech Receives High Marks in Novarica ACE Ranking™ Report***

**Milford, Ohio (February 9, 2009)** – NxTech, Inc. a leading provider of Real Time and Download software and services, featuring their Total Interface Solutions for Agency-Company Interface, is pleased to announce that their customers have given them very high marks in a recent Novarica ACE Ranking™ report

NxTech and the ConneXt software suite was rated by customers in production with Real Time Inquiry, Round Trip Rating, Bridging, Batch Download and other interface solutions including agency management system interface, carrier system integration, data management, and interactive web development.

The Novarica ACE (Average Customer Experience) Rankings are not sponsored by vendors, and are based solely on the input of five live insurer clients. Novarica ACE Rankings provide a transparent, un-edited picture of how well a solution meets its users' needs. In the case of NxTech, overall ranking (out of a possible 100) of the four primary ranked areas were: Vendor Staff (97), Vendor Organization (96), Vendor Functionality (98), Vendor Technology (95), with Overall Customer Satisfaction at 98 for a total five-point aggregate score of 97. “Our insurer clients have told us that peer experience is the number one factor in evaluating new technology solutions,” said Matthew Josefowicz, director of the insurance practice at Novarica and originator of the Novarica ACE Rankings “ConneXt’s insurer customers gave the company and the solution a very strong ranking.”

Thad Bauer, President at NxTech commented, “We have always prided ourselves in the experience and expertise of our staff as well as the quality and functionality of the technology processes we deliver. To receive this level of rankings from our clients is a true honor and much appreciated recognition of our efforts.”
